

ABOUT THE VETERINARY CARE FOUNDATION

The Veterinary Care Foundation (VCF) is a 501(c)(3) not-for-profit charitable foundation and was created to support local veterinary practice in their humanitarian work. Unlike most charitable organizations, the VCF's expenses are funded entirely through membership dues—this means that 100% of every charitable dollar contributed to our members is used to directly fund the care of animals in your community.

Thank you for your support.

Please check out our website at VetCareFoundation.org to learn more about remarkable vets, amazing pets and wonderful stories they create.
